

How to find the best target journals for submission

Some of the most popular services for writers and researchers to identify and find the right journal for the article are introduced below. These services are a free web application where the researcher can retrieve the journals on the subject of the article in reputable journals by inserting the abstract of his / her article.

- Jane: <https://sci-en.tbzmed.ac.ir/http://jane.biosemantics.org/>
- Elsevier Journalfinder: <https://sci-en.tbzmed.ac.ir/http://journalfinder.elsevier.com/>
- SJFinder: <https://sci-en.tbzmed.ac.ir/http://www.sjfinder.com/journals/recommend>
- JournalGuide: <https://www.journalguide.com>
- EDANZ Journal Selector: <https://sci-en.tbzmed.ac.ir/https://www.edanzediting.com/journal-selector>
